INTRODUCTION.

Divine Global Business Services Ltd (DGBSL) is an indigenous Computer Company, which is registered in Nigeria with its corporate Head office at Suite B84, Ikota Shopping Complex, VGC, Lagos, Nigeria.

We are pleased to introduce to you our **Help Desk Service**. The **Help Desk Service** is intended to help computer owners/users with monthly check-up and servicing to ensure the smooth running of their computer system(s). The PC has become a ubiquitous productivity tool for companies and end users alike. Most employees can not function effectively without their PC. Unfortunately, PCs have also become increasingly more complex to support and maintain.

In **DGBSL**, our aim is to offer solutions to some of the problems that occur during the daily use of the PC.

This service requires prospective clients to subscribe for the service either on a monthly or yearly basis. Below are the rates based on number of computer systems.

No of PCs	Rate
1-2	₦500.00
3-5	₦1,000.00
5-10	₦1,500.00
10 over	₦2,000.00

Note: This fee is exclusive of all accessories that may be required should the need arise.

Additional fees might be charged depending on the state of your system(s)

BENEFITS

- Prompt response
- Affordable
- Free technical Advice

TECHNICAL ADVICE: The **Help Desk** offers various technical advises to clients in acquiring various hardware/software products. With the availability of various products and brand names, more often than not, clients tend to make wrong decisions in acquiring this equipment for various purposes. At the **Help Desk** we provide the solutions to these problems to prospective clients at minimal cost, thereby eliminating the problem of wrong decision making.
